

Nestled in a quiet, residential setting, WebsterHouse is a historic landmark in the heart of Chicago's most desirable neighborhood - Lincoln Park. Webster House is a 14-story high-rise rental community with picturesque views of the adjacent Lincoln Park Zoo, Conservatory and Lake Michigan. From the moment you enter this grand old Chicago hotel, you'll be captivated by its stunning beauty. Wide hallways and high ceilings on each floor enhance the feeling of being transported back to the building's humble beginnings as a hotel for Chicago's elite. Constructed in 1919, WebsterHouse was converted sixty years later to a rental apartment community. WebsterHouse is now home to more than 350 residents. With convenient access to businesses in the Loop, famed shopping on the Magnificent Mile, and renowned dining throughout Chicago, it's no wonder so many people call WebsterHouse home.
